

GPAY PLUS

GPay Profile Creation

In Greenwald Management System

Log into GMS
<https://gms.gi-web.net/login>
1a: Select your customer name
1b: Select the "GPay Profiles" tab

2a: Select the desired tab
2b: Select "Create Profile"

To setup a machine, you will need to select each of the machine profile tabs indicated above and create 3 complete profiles

3

- In each of the 3 tabs, you will need to:
- 3a: Select "Profile Type" from the drop down menu
 - 3b: Select "Sub-type" from the drop down menu (if applicable)
 - 3c: Enter a unique machine settings profile name
 - 3d: Adjust settings as needed
 - 3e: Select "Save"

Greenwald Management System v2.1.1 | Customer: Your Name

Search: search text [Clear] [Search]

Customer Name: Users, Accounts, Account Name
