1 IMPORTANT: For seamless installation, set-up room and machine profiles in Greenwald Management System (GMS) prior to device installation.
2 **Disconnect power to machine.**

Open console panel on machine.

Disconnect the plug from the card reader.

3 Connect the cable from the card reader into the Greenwald Pay Plus device.

4 Plug the Greenwald Pay Plus device into the card reader. The Greenwald Pay Pay device is now installed in-between the card reader and the control board.

5 Leave console panel open and re-power the machine. After initialization, the Greenwald Pay Plus device will slow blink white indicating device not configured and is ready to be paired with the profiles set up in GMS.
6 **Configure Machines**

Login to the Greenwald Pay app using your admin credentials > Select "Setup".

*Note: Machine Profiles must be configured in GMS, before you can pair the machines.*
7 Select your account

8 Select your location

**9** Choose machines to pair

10 Label each washer and dryer with machine number labels as you configure each machine.

Note: MAC address on device and in app must match for machines to be paired correctly.

11 Repeat for each machine

12 Close all machine console panels and the install is complete.
